

THE 7th SENSE OF SMART EDUCATION

Senses is introducing its in-built **AI-enabled Futuristic Interactive Panels**, marking the future of education.

THE FOUNDATION OF THE 7TH SENSE

SENSEPRO

The seventh sense is crucial for children to thrive in today's rapidly changing world of learning. It involves adaptability, creativity, and innovation, guiding instincts and intuition. Educators, professors, teachers, and principals must nurture this seventh sense in their students to empower them to embrace change and thrive.

THE SENSES APPROACH

Actual School Photo

Senses Electronics Pvt. Ltd., a leading EdTech innovator, aims to unlock the seventh sense of education for teachers. We believe that the seventh sense is the missing piece of the educational puzzle, fostering adaptability, creativity, and innovation. Our mission is to empower teachers with impactful tools for precise teaching, create an enjoyable learning environment, and instill confidence in parents about their child's educational journey.

- **70000+** PANELS INSTALLED
- **40000+** INSTITUTION TRUSTED US
- **70% MARKET SHARE***

THE CREATION OF **AI**-POWERED EDUCATION

"At first, humanity was created with the touch of God. Here we are, when AI is being created with the touch of humans."

ADAPTIVE & INNOVATIVE AI-POWERED LEARNING

AI feature generating answers, images, translations, and questions can be asked in multiple Indian languages.

SOFTWARE FEATURES - SENSEBOARD

EASI TALK

Classroom Addressing System

SENSES WATCH

Can Keep An Eye On
Every Classroom

SENSES CONNECT

Increasing Collaboration and
Participation of Students

SENSE CAPTURE

Record What's Being Taught
For Easy Revision

NFC AUTHENTICATION

Smart Control of Your
SenseBoard

SENSE ATTENDANCE

Smart Attendance System

Powerful 2.1
channel sound
using 2 front facing
speaker & down
firing Bose
Sub-woofer

Whiteboard giving sharp, natural
writing experience

Wide viewing angle
up-to 178 degree

Energy saving design, Max 300W,
consumes <0.5W on standby

In-built Wi-Fi 6,
Ethernet &
Bluetooth 5.2

Android version 13

Robust Android
with an impressive benchmark
score of 1300+

Built-in state-of-the-art
i7 CPU

Easy Wireless
connectivity with
laptops and mobile devices

NFC Reader

Open platform, compatible with all e-learning contents

Supports any
pen as small as tip
of a ball pen

Anti-glare coating
to absorb up to 80% of light

World's thinnest bezel
interactive Panel
with complete
metal body

In-built
WiFi access
point

Toughened glass protection

WHAT MAKES US STAND APART?

Our technology effortlessly converts over 200+ voice commands into text, empowering teachers with advanced voice recognition.

VOICE RECOGNITION

The system offers teachers advanced multi-touch gestures for easy drawing, selecting, and interactive learning experiences, enhancing their teaching experience

MULTI-FINGER GESTURE CONTROL

Our intelligent panels record classes, allow instant sharing via QR Code, and support WhatsApp sharing and auto email.

WHATSAPP SHARING & AUTO E-MAIL

Unlimited writing on the smart board with auto-scrolling creates seamless, uninterrupted Teaching experience for teachers.

ENDLESS CANVAS / AUTO SCROLL

INDIAN LANGUAGE COMPATIBILITY

Enhancing accessibility and inclusivity in the learning process, the Senses Interactive Intelligent Panel supports multiple Indian & Foreign languages

TEXT/SHAPE RECOGNITION WITH MEASUREMENT / AUTO ALIGN OF TEXT

The technology of the Senses Interactive Intelligent Panel converts written/drawn text or shapes into precise, easily readable formats, enhancing efficient learning.

By recording, saving, and sharing lessons for student-paced reinforcement, the Senses Interactive Intelligent Panel enhances teachers' comprehension and retention.

SENSE CAPTURE

EFFORTLESS IMAGE INSERTION

Scan a QR code to easily insert images into lessons, streamlining visual aid integration for enriched comprehension.

Formula Recognition simplifies complex equations, automatically solving and presenting clear solutions for teachers with ease.

FORMULA RECOGNITION

CLOUD-BASED LEARNING

Experience the convenience of cloud-based teaching with easy saving, downloading, and sharing of sessions, enhancing teaching opportunities.

INTELLIGENT SESSION SAVING

Rest assured, our intelligent session-saving feature protects your work by automatically saving every 60 seconds, ensuring teaching continuity without disruptions, even during power outages.

Our panel facilitates intelligent searches, allowing teachers to access online resources based on their chosen topic, thereby enhancing teaching experience with SMART SEARCH capabilities.

SMART SEARCH CAPABILITIES

TEXT EXTRACTION FROM IMAGE

Extract any text from the image inserted in SenseBoard with ease.

TEXT TRANSLATION

Translate any text added in SenseBoard to any Indian/Foreign languages and read them aloud.

In build AI to solve algebra, calculus, and other math problems. And provide step-by-step explanations.

MATH SOLVER

Teachers create multiple canvases for simultaneous student interaction, enabling collaborative problem-solving.

MULTI CANVAS

DICTIONARY

Show English definitions, synonyms, examples etc for the selected text. Option to select and copy the dictionary information to canvas is possible here.

UNLOCKING 3D INNOVATION

Experience a revolutionary shift in learning with our 3D Models. These models bring conceptual knowledge to life by offering interactive, 360° visualizations of content. Teachers will be able to grasp complex concepts with unprecedented depth, expanding their understanding through immersive teaching experiences.

ENHANCED LEARNING THROUGH 3D IMAGES

MORE THAN 5K 3D IMAGES
ARE ALREADY THERE IN SYSTEM.

Take your learning to the next dimension with our 3D Image Insert feature. This innovative capability allows teachers to insert 3D images, providing a hands-on approach to demonstrating topics. With the help of gestural recognition controllers, students can interact with and explore these 3D visuals, tapping into their creativity for a deeper and more engaging educational journey.

EMPOWERING VISUAL LEARNING

Immerse yourself in a world of enriched learning with our user-friendly interface. Written in clear and accessible language, and complemented by engaging graphics, this feature goes beyond the ordinary. It enables teachers to effortlessly draw shapes, solve complex graph functions, equations, and formulae, and even embarks on stimulating **Physics, Biology, Geography, and Chemistry** lab experiments. This practical and immersive approach enhances students' practical learning experiences, stimulating their 7th sense of curiosity and innovation for a more profound understanding of academic concepts.

DEDICATED SERVICE AND SUPPORT

We take pride in promptly addressing any client concerns and resolving issues within stipulated timeframes. **Our team efforts are bolstered by a robust service and support network, spanning across India, ensuring that our valued customers receive the best care possible.** With a vision to stand as the foremost brand in the country, we firmly believe that prioritizing service support is paramount. We assure you that the products and services we provide will be cherished by you for years to come, and you can always count on us to fulfil your solution needs.

SENSES TRAINING SUPPORT

We are committed to empowering school teachers, enabling them to tap into innovation. We offer unlimited, complimentary training sessions spanning up to 3 years. Our approach is rooted in innovation, tailored to your unique needs. Our dedicated team stays in constant communication with you, ensuring that training is tailored to subjects and the specific requirements of teachers, and educational institutions. Our goal is to provide comprehensive training support that fosters excellence in education.

Nurturing the 7th Sense through **Training and Innovation**

UNLIMITED SOFTWARE UPDATES

We believe in staying ahead of the educational curve, and that's why we offer unlimited software updates that extend the life of your solutions. These updates are provided at no additional cost and are aligned with the evolving needs of educators. We release new updates on a quarterly basis, ensuring that our offerings remain at the forefront of educational technology.

SENSES INNOVATION

Our commitment to innovation is unwavering. With every training session, we listen to the feedback of educators and respond proactively. Your insights drive our research and development, leading to continuous improvements and upgrades in our solutions. This interactive process ensures that we are always at the cutting edge of educational technology, supporting your journey to cultivate the 7th sense of innovation in teaching and learning.
